HELPFUL HINTS: ALEX KIDD IN MIRACLE WORLD

TO CONTINUE: When the words "Game Over" appears on the screen, press and hold the control pad in the up direction and push button #2 on the control pad eight times. This procedure will enable you to continue play but, only if you have \$400.00 or more.

TO KILL FIRST OCTOPUS: Punch out the tentacles or buy your talcum powder and become invisible and punch him in the face two times. Put Alex's stomach on the chest and move left and right until you go underground to a bonus board.

FIRST STONE HEAD: Rock and then Scissors

SCISSORS HEAD: Scissors and then Paper (after the Mt.Kave).

PAPER HEAD: Rock and Paper (After the Bingoolow lands). Remember, he changes twice. What you are he tries to beat.

TO KILL THE OX: Punch the Ox six times in the face.

MT.KAVE: The "Pink Boxes" will not break! Just punch them and move on. To get "The Telepathy" you must fall down the hole and keep your control pad pressed to the right and the passage way will open up.

BLAKWOODS: Buy the "Cane of Flight" at the shop. Use it in the middle of the woods. It is best to take your time over the spikes.

TO KILL GRIZZLY BEAR: Buy "A" Capsule and Alex's friends will beat him. You can also use the "Bracelet". After the forest you should buy the "Peticopter" and beware of the lightning. The "B" Capsule will help you if you should loose the "Peticopter".

BINGOOLOWLAND: THE RADACTIAN CASTLE: When first entering the castle, run past the Spikes, jump over the Pink Box and climb up the ladder to your right. You will enter a room with a Fireball and a Bat. Climb to the top left of the screen and make your way up to the next room.

You are now in a room with a Frog and Spikes on the ground. Punch out the Frog and make your way to the right.

You will then be in a room where the floor is empty. There will also be a Bat present. Keep going right to get a free Alex. You should then go back to the room where there is no bottom. Fall to second level of that room, next to the two Spikes and the Bat, then go right.

You will then be in a room with two Bats and four Money Bags. You must punch out the Grey Blocks and take the ladder going down, at that time.

You will then enter a room with two Pink Boxes. Punch out the Grey Bricks located on your right and continue right.

You will then enter a room with sixteen more Grey Bricks. Punch out the bottom Bricks and climb the ladder on the right. You are now faced with Alex's brother, Egle. Punch the Pink Boxes to set him free. Go back down the ladder and go back two rooms to the left, continue down the ladder.

You will now enter a room with three Fireballs, jump over them and make your way to the left where you will enter a room with three Fireballs and six

ladders. Take the top ladder on the right to get the "Personal Letter". Get the letter and go back to the room with the ladders. You must then go down to the bottom ladder on the left and take that all the way down. There will be a room with a Scorpion. Punch out the Scorpion and make your way to the right. Run past the falling Spikes and continue to your right. Punch out the Grey Bricks and enter the next room. Be careful with the Fireballs. Wait until the Fireball is on the opposite side and then make your way to the left ladder, and you are out!

SECOND STONE HEAD: Paper and then Scissors Watch out, because his head will fly off! Punch the head three times.

Scissors: Rock and then Rock again (After the City of Radactian). His head will fly off too, so be careful! Punch the head three times.

SECOND JANKEN MATCH: (After the Kingdom of Nibana).

PAPER HEAD: Rock and then Scissors When his head flies off, go to the left side of the screen. Stay there and just punch.

THE MAGIC CASTLE: When on the draw bridge, get the two Stars. Jump down and go all the way down to the right. Go down the first ladder. Jump over the Flame, then go left and punch out the Gold Boxes. You can use the "Bracelet" at the point. Keep going left and jump between the open Bricks and try to get the Star and the Money (crawling may be helpful at this point). Move right, shoot out all the Gold Bricks, then pass the next ladder you see. Enter the room with lots of Gold Boxes and two Star Boxes. Get the Money in the Boxes and take the ladder going down. Go along the top of the room, making your way down towards the right into the Gas Chamber. Pass the Spikes, moving right to the Frog Room. Take the Frog out, keep going right into the room with two Question Boxes, (one of which holds a "Bracelet") Scorpion and Flame. Take the ladder located in the top right portion of this room. You will enter a "U" shaped room. Break the Gold Boxes. This will enable you to make your way up. When you get to the top, go left.

On the other side of this room is a room with two Question Boxes and Spikes hanging in mid air. Do not attempt to get these Question Boxes, just jump over the Spikes and the Question Boxes while moving to the left.

The next room has Bricks, Plants and Water. Take the ladder in the left side of the room and go up. At the top of this ladder, go left into a room with only one Star Box. This Box contains an Alex. There is also a Flame in this room. Take the ladder all the way up and go left.

You will enter a room with four ladders, three Flames and a Question Box.

Take the ladder at the top left of the room. You will enter another Gas Room with a Pink Fish Box at the left side of the room. Punch it quickly, two or three times and run fast to the right side of the room.

Go up the ladder. You will enter a room with three Frogs, take them out, then exit at the top right portion of this room.

The next room will have hanging Spikes. Cross over the bottom portion, jump over the floor that opens when you cross it. Punch the Gold Box at the end of the floor and drop down to another room.

This room contains one Fish Box and two Spikes. Punch the Fish Box twice, take out the Scorpion and go towards the right. The following room is a good spot to use the "Cane of Flight". This room has a Question Package. Watch out, the floor drops out! Use the cane to float to the top of the room, using the ladder in the right portion of the screen.

You will enter a room with Scorpions, Frogs and a Pink Fish Box. Punch the Box five times and go to the right into the next room. In this room, there

will be a Frog and moving Flames. Hit the pause button and use your question package (Teleport Power). Jump past the Frog, go down the ladder that is second closest to the wall on the right hand side. Jump down, watching for Scorpions and Flames, then go right. You are now faced with "Janken the Great". Watch out, because he cheats! Possible selection of play: Paper and then Paper again. When you win, he will get mad and toss balls at you. You will need to punch him in the forehead twice in order to continue on. Never get behind Janken, if you do, you will have to reset your game, so be careful! Once you hit him, there will be a present at his feet. Take the present and exit at the top left portion of the screen.

You are now in CRAGG LAKE you must run over the boxes on the floor in the following sequence:

Run over the Sun Box
Run over the Two Waves Box
Run over the Moon Box
Run over the Star Box
Run over the Sun Box
Run over the Moon Box
Run over the Two Waves Box
Run over the Fish Box
Run over the Star Box
Run over the Fish Box

Upon completing above sequence, a Crown will appear on the ledge. Grab the Crown, read the message.

Good Luck!
