Altered Beast

Additional Life Meter

On the title screen press the upper left corner of the directional pad and buttons 1 and 2 simultaneously. The game will automatically start.

Continue Feature

The continue features listed below are done on four "Game Over" screens and held down simultaneously until you are back to where you left off.

First continue: Upper left corner of the directional pad and buttons 1 and 2.

Second continue: Lower left corner of the directional pad and buttons 1 and 2.

Third continue: Lower right corner of the directional pad and buttons 1 and 2.

Fourth continue: Upper right corner of the directional button and buttons 1 and 2.

Defeating the Bosses

Round 1: Aggar

Dodge the heads by moving back and forth while shooting fireballs at his entire body. Takes 20-25 shots to kill.

Round 2: Octeyes

Kick the poisonous spores that are thrown at you while shooting laser at his head. Takes 15-20 shots to kill.

Round 3: Crocodile Wyrn

Run up to the creature and shoot fireballs at the base of his body. Move back and jump to avoid his shots and run underneath him or stay on the side of him and use the bouncing flame. Takes 20-25 shots to kill.

Round 4: Rhino

When Rhino charges at you, use your flaming arrow once, then move back and jump over him. While you are still in the air, shoot at him with your fireball or squat down and use your fireball. Takes 25-30 shots to kill.
